WITH SINCERITY AND PRIDE....

....WE SALUTE YOU!

Looking back through the years to the time when many of us started our school life, we remember the friendly, helpful woman who not only taught us reading, writing, and arithmetic, but who, as Elementary School Principal, shaped and guided our small destinies in our first school years. All students, parents, and members of the faculty who have worked under her will testify as to how interested she has been in promoting the welfare of the children intrusted to her care.

May this book be a symbol of the part she has played in the lives of the boys and girls of St. Clair High School, and a tribute to her loyal and faithful service. It is with this wish in mind that the staff of the 1949 CLAIRVOYANT proudly dedicate this annual to our teacher, guide, and friend, Miss Ruth Gibson.

To the EDITOR of the CLAIRVOYANT:

On behalf of the Board of Education, it is a pleasure to commend and congratulate the Student Council, faculty representatives, and the Editorial Staff responsible for the preparation and publishing of the 1949 CLAIRVOYANT. This is the first year since 1927 that a High School annual has been published and it is hoped that the custom, now reestablished, will become a permanent part of our school tradition. Not only does the publishing of such an annual serve to provide a desirable and interesting record of the events of the school year and also to mold a strong school spirit and loyalty, but it provides worthwhile experience for those who are entrusted with the responsibility for its publication.

I am sure that every student who obtains a copy will thoroughly enjoy reading it and will find it, in future years, a cherished souvenier and reminder of his high school days.

Sincerely,

Milton J. Gearing

Class History

Fifty-nine of us toddled off to our first day of school way back in 1936. This began our school life. Our first year saw us attending the Second Ward School. We had fun in the Second Ward-----do you remember during fire drills, we used the old rickety fire escape and were scared to death of it. Oh Yes, even at this tender age romance entered our lives. Remember all the note passing? We were shifted around for two years until the Elementary School was built and we entered there as third--grade students.

A great moment in our school lives was upon us when we awkwardly walked into Honors Convocation. It was exciting but nevertheless embarassing to have the eyes of the high school focused upon us.Our first year in high school was one that we had all been looking forward to. It was a very happy one. We kept Mrs. Hackett, our sixth grade teacher, and she served as class advisor. Fifty-four of us went on to the seventh grade together. In the eighth grade our class advisors were Miss Sullivan and Coach West.

Then came the year as Freshmen. That year we gathered in students from St. Mary's and all of the rural schools. The total of our class was 100. The largest class ole' St. Clair High has ever seen. Because of the great number of students in our class we were divided into three home rooms. Miss Parrot, advisor of the first section, had as class officers: President-Dick Biewer, Vice President-Harold Corvis, and Secretary-Marg Eddy. Mrs. Buell was advisor of the second section, and the class officers were: President-Ruth Runk, Vice President-Jack Gearing, and Secretary-Donna Jones. Advisor of the thrid section was Mr. Baloga and the class officers for this section were: President-Bob Wass, Vice President-Gertrude Wisswell, Secretary-Marilyn Scott, and Treasurer-Rita Uppleger. That year at the Carnival the first section had a Game Room, and the second section a Country Store, and the third a a Baseball Concession.

As Sophomores in the tenth grade we made our home on the third floor. Even though we compalined about climbing the stairs we were still very happy to be there with the upperclassmen. Because there were nor only 92 of us it was necessary for only two home rooms that year. Miss Parrot, advisor of the first section, had as class officers: President-Dot Blanchard, Vice President-Don McWain, and Secretary-Eileen Ahles. In Mrs. Buell's room the officers were: President-Betty Siefert, Vice President-Marilyn Scott, and Secretary-Dick Schmude. During the Carnival the first section had the King and Queen contest. The second section had a Country Store.

As Juniors the task before us was to raise money for the highlight of that year which was the Junior-Senior Banquet. A new member of the Faculty, Mr. Della Dora, together with Mrs. Buell, acted as class advisors. Our first attempt to raise money was the J-Hop. Not being too successful with the J-Hop, the female members of the class, 16 in number, served at the Fireman's Banquet. The play "Ghost Wanted", was the one we chose for our Junior Play. In the midst of all of our activities we placed our orders for class rings. For the Carnival Mrs. Buell's room had a Raffle and Mr. Della Dora's room had the King and Queen contest. The officers for the Junior year in Mrs. Buell's room were: President-Bob Stverak, Vice President-Dick Schmude, and Secretary-Rita Uppleger. In Mr. Della Dora's room they were: President- Jack Gearing, Vice President-Harold Convis, and Secretary-Gail Engelgau. Climaxing our Junior year, the great day came when we gave the Seniors their banquet. It was a grand affair held in the Pine Room of Eberharts, and the food was wonderful! The last of our activities was our Hot Dog stand which was located in the park over the 4th of July Celebration.One more important thing . . .Marg Eddy was elected President of the School Council, Vern Van Buskirk was elected Secretary, Mary Roegner became editor of the Echo, and Dot Brand was named editor of the Clairvoyant.

Here we are Seniors at last!!!! What a wonderful year. To help swell our treasury we had all the concessions for the football season. The play this year was a comedy-mystery called "Lunatics at Large." For this year's Carnival the Seniors operated a Bowery. The patrons were served and entertained by chorus lines and a quartet. A gala time was had by all. A large number of boys and girls from our class served at the Diamond-Crystal Banquet. Our Sno-Ball dance given on New Year's Eve, was a most colorful affair. Our money raising activities included selling class pins, holly wreaths, and operating the check room at the Fireman's Ball. Mary Roegner was given the D. A. R. Award. We held a bake sale in March from which we reaped a good sized profit. At last came the awaited moment----the Senior Trip. We left May 15 and returned home May 21, tired by very happy boys and girls. The Juniors gave us a lovely banquet and every one had a wonderful time. We were both happy and proud to hear that Margaret Eddy and Vern Van Buskirk were given the "I Dare You" awards and that Margaret Eddy had been selected as our Valedictorian. Eileen Ahles and Delphine Ortmann were named co-Salutatorians for the class of 1949.

The Senior Prom, June 3, was one we will long remember. June 15 was Baccalaureate and June 16 Class Night. June 17, 1949, was our last day of school and that night as we went up to receive our diplomas we reallized that our school life at St. Clair High School was at an end.

The cheerleaders changed quite a few cheers this past season and were very proud of their new motions to the "Fight Team Fight." It seemed to pep up the spectators. Towards the end of the year, with the help of Frank Bohs, the Pep Meetings were changed for the goal of creating more interest and popularity. One of the outstanding programs was a basketball rules demonstration in the gym.

Our cheerleaders deserve a lot of credit for cheering in all kinds of weather and keeping up the school spirit.

FOOTBALL

September 17-Capac-here

Our opening game and we were mighty proud of our team. We had a new backfield man on our team-John Pruitt-and his passing gave us the first touchdown of the season. Dick Biewer scored. Bud Wenning's extra point saved the game as we went on to win 7 - 6.

September 23-Marine City-here

There is not much to say about this game except that it was strictly defensive. Final score 0 - 0.

September 30-St. Stephens-there

This game was exactly like the Marine City game except that we had a better chance to score. In the last period we had the ball on the six yard line but St. Stephens held for three plays. Score 0 - 0.

October 6-New Baltimore-here

The first period opened with a bang as New Baltimore's tricky plays produced a touchdown in the first 3 minutes. The Saints bounced right back, and went on to win 20-6. Bud Wenning made a swell 55 yard run in the 3rd quarter.

October 14-Marysville-here

The Saints took their first defeat as a powerful Marysville "11" ran to a 26-6 victory over the St. Clair team.

October 22-Richmond-there

Our team began to lose as two of our best players were out on injuries. They were Bob Visger and Leo Carrigan. We lost 27-13.

October 28-Holy Cross-here

Our team lost it's 3rd straight in a rough game. Biewer injured his leg and was out for the last game. Ken Johns of Holy Cross, broke his ankle.

November 6-Algonac-there

Playing in a sea of mud the Saints bowed to Algonac 20-2. The game was pretty rough and rather one-sided, but the Saints put up a good fight.

This year the varsity record was not too wonderful, but it showed great improvement as the season went on. This was further emphasized when the "Saints" beat the league champions in the district tournaments.

The future for our team looks good. This year five varsity men were sophomores and three were juniors. Also, the reserves produced Beach, Hasler, and Mayhew, along with many other prospects who had good seasons.

Next year the other teams in the St. Clair County League better watch out for us.

The School Council is composed of two representatives from each homeroom from the seventh grade through the twelfth except for the ninth grade which has three representatives. The purpose of this organization is to form policies to improve the school and see that necessary corrections are made around the school in general.

Some special projects which the Council has completed this year are: new pencil sharpners and wastepaper cans for the halls; a new clock in the auditorium and $500 worth of repairs for the boys locker room.

The Council also sponsered the third annual Haloween Carnival, October 30. A variety of entertainment was offered with the seventh through the twelfth grades taking part.

Mary Roegner was elected editor of the bi-weekly student publication, The Echo, in the 1948-49 student elections. Mary has given her time untiringly in an effort to make the paper a good one. There was no assistant at the beginning of the school year, but Marie Carrigan was appointed to the position early in the semester because of considerable interest shown in the work.

Betty Siefert was in charge of production work and Bob Stverak acted as Business Manager and Circulation Manager. Carol Tassie was chosen to act as the Junior High Editor.

Early in September, the members of the first annual staff to be formed in the past twenty years held their first meeting and began plans for an annual to be published in the spring.

The staff consisted of Mr. Burgoyne, faculty advisor; Dorothy Brand, editor; Gretchen Elsholz, associate editor; John Engelgau, assistant editor; Marion Moats, business manager; Donna Wagner, feature editor, Younga Rankin, Class editor; Jim Magary, activities editor; Carolyn Grasley, art editor; Mary Greig, humor editor; Bob Wass, photography; and Alice Pollex, Janice Hart and Dorothy Recor as ad salesmen.

March and April found the entire staff hard at work with the able assistance of Gretchen Elsholz at the typewriter and Shirley Beaudua on make-up. With a zero hour scramble, we managed to deliver the material to the printer and the finished product rolled off the press in June.

The Junior Red Cross was founded primarily to render services to others. St. Clair High and Elementary schools have enrolled 100%. The active membership consists of about twenty - five members. The Junior Red Cross of St. Clair is sponsored by Mrs. P.R. Parker who is also the school nurse.

The officers are: Chairman-Marilyn Dimick, Vice-Chairman-Carroll Bower, Secretary -Sis Roegner, Treasurer-George Roegner. These officers are elected each year at the first meeting.

Each year one or more representatives are sent from this chapter to Camp Clearwater, which is a National Junior Red Cross Camp.

Some of the activities the group has participated in this year are: 1. Sent gift boxes to needy children in Europe. 2. Sold refreshments at basketball games. 3. Sent two of the girls to visit Selfrige Field Hospital. 5. Stuffed toy animals for convalecent children. 6. Made sewing kits for children in hospitals. 7. Made Ester baskets for two children who are recovering from polio. 8. Made favors for trays at St. Clair Hospital.

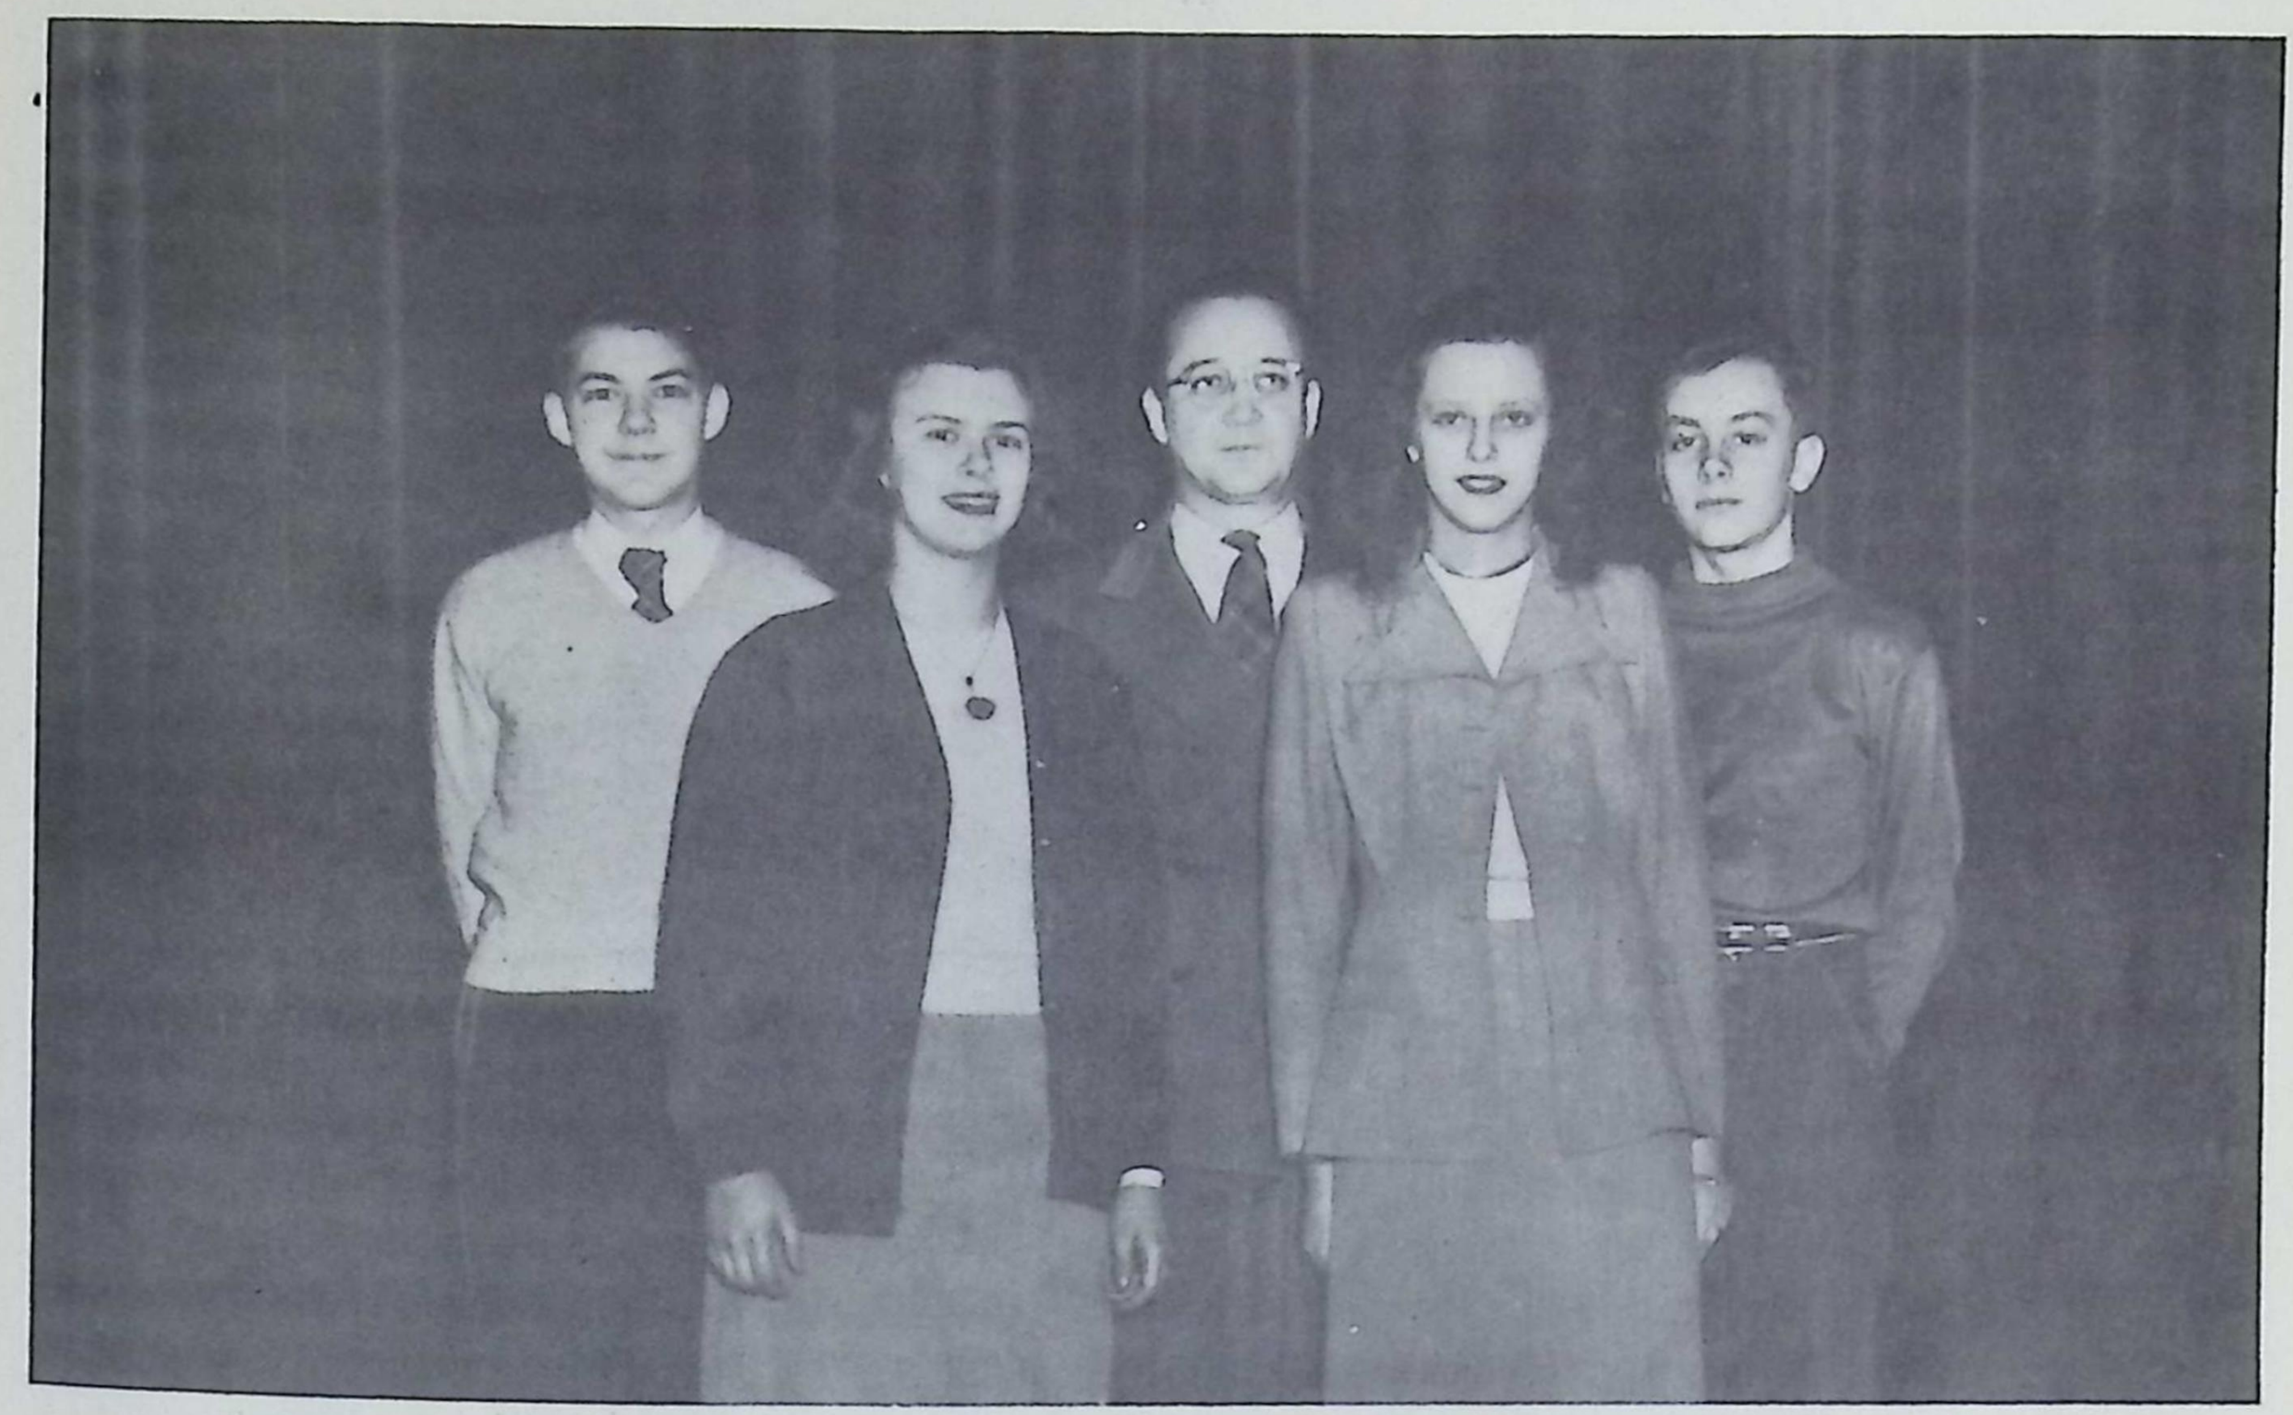
The Science Club is an organization in the highschool composed of students who are now taking a course in biology, chemistry, or physics. The student must attain good marks in his science courses and must have an interest in science in order to belong to this organization. The Science Club has about twenty five members who meet together on a Wednesday noon. Every other week is devoted to laboratory work and special kinds or types of projects.

Officers are elected every semester. Officers for the first semester were as the following: President-Dorothy Brand, Vice-President-Donna Jones, Secretary-Marg Eddy , Treasurer-Joan Brinker. Officers of the second semester were as follows: President-Bill Allen, Vice-President-Donna Jones, Secretary-Donna Wagner, Treasurer-Joan Brinker.

Projects of the Science Club this year includes chemical analysis, microscope, and soiless, gardening, and astronomy.

Debate Team



Left to Right:

1st Row — M. Moats, M. Koenig.
2nd Row — J. Magary, Coach-E.S. Michelson, H. Sass.

The subject for debate this year was, "Resolved, that the United Nations be revised into a Federal Government."

At the first of the year Mr. Michelson took us to a Debate Clinic on October, 23 , 1948, in Kellog Auditorium on the U. of M. campus under the auspices of the Department of Speech there.

We won five out of eight debates allowing us to go to and participate in the district tournament ; there we fell to Flint Highschool. We were happy to have as judges for the debates, proffessors of speech from different colleges.

Harbor Beach accepted our invitation for a contest after both our and their teams were eiliminated at the district tournaments. A special assembly was called. There were two debates on simoltaneously, one in the auditorium and one in the music room. Each of the schools won one of two contests.

Debate was a new feature to the St. Clair Highschool and should continue to be oneof the outstanding activities of the student body. The debators won a placque for the high-school and a letter for themselves.
